

# CRUSHED ALIVE

## A True Story of a Journey from Tragedy to Triumph

Paul's life was turned upside down when he was crushed alive by 12,000 pounds of wood in a traumatic workplace accident. He was rescued after a period of unconsciousness and was rushed to the hospital with multiple injuries and organs that were failing. Paul miraculously survived certain death to achieve what most would say was impossible. Learn the strategies he gained from fighting through the challenges of his situation and reaching for better outcomes than expected.

Crushed Alive offers a glimpse into Paul's story and his multiple disabilities. Paul created a new story when he realized this wasn't the end... but the beginning. It will inspire and empower others towards overcoming adversity, achieving the impossible, and embarking on astounding adventures. This experience changed Paul's life in many ways, and it will transform yours as well.
